

lbccc.org – Check out Our Brand New Web Site!!!

On August 1, 2011, LBCCC unveiled its brand new web site! The site was streamlined to make it easier to navigate and read. Special thanks to the site developer, Wayne Anderson of time4design, and to Tobi Bruhn (Bucks County Community College/Marketing & Communications Chair) and the entire Marketing & Communications Committee for their time and dedication in helping to make the site what it is today.
